NaturaLED honored for their support of the No Limits Learning Center for people with developmental disabilities in Brea, California

Ontario, CA, September 29, 2025 – naturaLED® (www.naturaLED.com), a leading provider of innovative lighting solutions, was recently honored at the Shine Without Limits Gala for their support and charitable donation of state-of-the-art LED lighting fixtures to the No Limits Learning Center in Brea, California. This contribution supports the center's ongoing renovation efforts aimed at creating a brighter, more unified and sustainable space for their students with developmental disabilities.

In collaboration with KD Electric, the trusted electrical contractor overseeing the project, NaturaLED ensured the installation of the latest LED lighting technology throughout the facility. The upgraded lighting system will enhance visibility, reduce energy consumption, and provide a comfortable, welcoming atmosphere conducive to learning and development.

"We are honored to partner with No Limits Learning Center and KD Electric to bring cutting-edge lighting solutions to this vital community resource," said, Melissa Barajas, Sales Manager for NaturaLED. "Our LED fixtures not only improve energy efficiency but also create a healthier, more inspiring space for students and staff."

The No Limits Learning Center is a site-based program for adults with developmental disabilities who are at least 18 years of age. They provide a broad range of specialized programs and services that prepare students to become effective communicators, lifelong learners and responsible citizens. The lighting upgrade throughout their facility takes a significant step toward improved learning conditions and creating an environment that is warm, welcoming and full of possibilities.

NaturaLED remains committed to shining a light on amazing charities and supporting community initiatives that promote education, sustainability, and well-being through innovative lighting technology.
